CITY OF WILLIAMSPORT
DEPARTMENT OF STREETS, PARKS & FLOOD CONTROL

MEMO

To: Mayor Gabriel Campana and Members of City Council
From: Adam L. Winder
Subject: Purchase of 2019 Ford F-550 Dump Truck
Date: February 21, 2019

Attached for your review and approval is a resolution authorizing the purchase of a 2019 Ford F-550 4x4 Dump Truck with a salt spreader and plow from Hondru Ford, 300 South Main Street Manheim, PA 17545. Hondru Ford is an authorized dealer under Costars Contract #025-006.

The cost of the dump truck is \$88,595.00 and will be purchased using F.N.B. Commercial Leasing, with three annual payments of \$30,793.02, the first payment due on the date of signing. Payments will be made using funds from the liquid fuels equipment line item #7001-64010.

The decision on purchasing this dump truck was made after assessing our current fleet. The ability to add another plow truck with a salt spreader to the current fleet will be a tremendous help to the streets department during winter storm events to cover more ground efficiently. It will also be a great asset to help keep the current fleet better manageable on a maintenance and use standpoint, that is fewer miles accumulated on current trucks helps keep projects moving while a truck is being serviced.

This dump truck is currently being built by Watson Diesel for Hondru Ford as a demo truck. It has not seen the road yet; therefore they can sell it to the city at a lower cost than list price due to it being considered a demo truck. It will fit our every need in the way it is being built and also help extend the life of our current fleet and start us into a rotation of trucks, updating one every three years. This should help get the Public Works Department to a good standing on vehicle purchasing and help the department on managing weather events.

Attached for your information is Hondru Fords's quotation. Should you have any questions, please feel free to contact me.

We are requesting that action be taken on this resolution on Thursday, February 28, 2019.
