**RECREATION DEPARTMENT**  
CITY OF WILLIAMSPORT

**MEMORANDUM**

**TO:** Members of Williamsport City Council; Mayor Campana

**FROM:** Jessie Novinger, Director of Recreation

**RE:** **RESOLUTION TO APPROVE THE CITY OF WILLIAMSPORT  
2019 JAMES DAVID ROBINSON CULTURAL GRANT  
PROGRAM AWARDS**

**DATE:** June 13, 2019

---

The City of Williamsport administers an annual cultural grant program that is funded with \$3,000 from the General Fund.

Local arts organizations apply for the grant funding for cultural and arts related events that are held in the City of Williamsport. A James David Robinson Cultural Grant Review Panel reviews the grants and recommends funding amounts. Grants are scored on a point system based on the grant proposal's artistic merit, community support, project description and administrative capability. The Review Panel has consisted of Williamsport Recreation Commission members and the Director of Recreation.

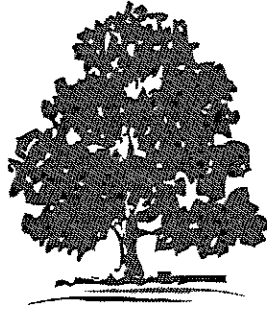

The grants have been reviewed and the following have met the grant requirements; therefore we are proposing that each of the following organizations receive at least a portion of the amount requested.

Based on the grant applications, we are proposing to fund these organizations for the following projects in the following amounts:

**Community Arts Center**  
**"CAC Education Series Performances"**  
**\$900.00**

More than 10,000 school children each year arrive at the CAC during four or five Educational Series live performances each year to interact with each other and professional performers to experience, enjoy and understand messages related to the arts, sciences and social history.

For the 2019-2020 season, we are planning an expansion of our Educational Series to include workshops and curriculum enhancement tools to make each performance even more impactful. This cooperative educational exposure also gives young students a chance to socialize and

understanding of, the blues music art form. Attendance for this event grows each year, to the extent it is time to consider moving to a larger venue. Since its inception in 1990, it has been important to BBA to include local musicians especially the youth in its Fall Into Blues Events. The entirety of the event is to display quality performances of blues music by local musicians who have a devoted interest in the art form.

**Newberry Community Partnership**

**Welcome to Newberry Light Pole Banners – Designed by West Branch School Art Class**  
**\$350**

The project again engages West Branch School students to create art for the Newberry neighborhood by designing “What is best about Newberry” or “Newberry History” flag banners that will be printed and hung on light poles. The banners will be installed by City Streets & Parks in the West Fourth Street – Arch Street area. Please note that the previous project banners will be installed when the street work in that section is complete. The NCP Board, West Branch School art teacher and students, will make decisions about the specific subject and design of the banners.

**The Repasz Band**

**The Liberty Classic Community Band Festival**

~~\$1,000.00~~ **\$250.00** *JW*

The funding will be used to offset the expenses for the Musical Director for the Liberty Classic Community Band Festival, which was created by the Repasz Band to promote community bands and access to a nationally acclaimed musical director. The event is hosted annually by the Repasz Band. The Festival is a weekend event, held at the Genetti Hotel, October 11 - 13, 2019. The event is in its 9<sup>th</sup> year, has approximately 100+ musicians made up of musicians from the Repasz Band and others from the surrounding areas as well as other community band musicians from across the United States to perform with Col. Arnald D. Gabriel, Musical Director for the event.

Upon recommendation of the Williamsport Recreation Commission/James David Robinson Cultural Grant Review Panel, this resolution is being brought to City Council for recommendation and approval.

I have NOT included the full grant project proposals for this year as it consumes a great deal of paper. I am able to send project proposals electronically or have a paper copy available at your request. Thank you for helping the Recreation Department save a tree! ☺
